April 2018

A traffic crash is a significant event in the lives of everyone involved and the impact can have a lasting effect. Last year, 303,298 traffic crashes occurred on our roads – a slight decrease from 2016. Unfortunately, these crashes resulted in 108,801 injuries and 1,179 fatalities. Our state continues to make positive strides in roadway safety, and this report will aid our public safety partners to allocate resources to improve highway safety in Ohio. The 2017 Traffic Crash Facts Book outlines the leading crash-causing factors in our state. Dangerous driving behaviors such as speeding, failing to yield, driving under the influence of alcohol or drugs and distracted driving place everyone at risk. A significant portion of these traffic crashes are preventable, and progress can be made in reducing these crashes by not taking unnecessary risks. Impaired driving and unbelted deaths continue to be an area of concern. Impaired driving resulted in the tragic loss of 314 lives, and 470 persons were killed in traffic crashes where seatbelts were available, but not in use. These statistics remind us why traffic safety continues to deserve our attention.

The traffic safety awareness programs administered by our state, local and private partners continue to focus on dangerous driving habits to change driver behavior. In addition, coordinated strategic enforcement by law enforcement agencies across Ohio serve as deterrents and provide traffic crash prevention.

The last seven years have been the safest in Ohio history, but there is more work to be done. Along with safety enhancements in motor vehicles, roadway design and collaborative projects, our programs are making a dramatic impact and contributing to a better quality of life in our state. We will continue these efforts and look for innovative methods and partnerships to reduce crashes and save more lives. Everyone can contribute to making our roads safer through continued education, public awareness and responsible driving.

Sincerely,

John Born, Director
Ohio Department of Public Safety
